

[RADAM 2008](#)
Second Announcement
Debrecen, 28-03-2008

Conference on Radiation Damage in Biomolecular Systems

which will be held in the Headquarters of the Debrecen Committee of the Hungarian Academy of Sciences, in **Debrecen, Hungary**, from the **13th June to 15th June 2008** is now in the **registration and abstract submission stage**

The conference is significantly sponsored by the European Science Foundation, ESF, within the framework of the Activity: Electron Induced Processing at the Molecular Level, EIPAM. We also acknowledge support from the [Hungarian Academy of Sciences, HAS](#). Further sponsorship decisions will be displayed at the conference website.

Local Organizers:

- [Institute of Nuclear Research \(ATOMKI\)](#) of the [Hungarian Academy of Sciences](#)
- [Centre of Arts Humanities and Sciences of the University of Debrecen](#)
- [Faculty of Medicine of the Medical and Health Centre of the University of Debrecen](#)

The website for RADAM 2008 is located at: www.isa.au.dk/meetings/radam2008

Registration, abstract submission and hotel reservation for RADAM is now **open**

Details – including a tentative list of speakers and topics (not completed yet) - are available on the website. Most of the oral presentations have been arranged, but a very limited number of slots are still open. We kindly ask you to submit your abstracts for your talk or poster contributions.

Important dates, deadlines, fees
