

**EUROPEAN RESEARCH  
with SYNCHROTRON RADIATION  
CALL FOR PROPOSALS**

for the time period March 2011 to February 2012.

Researchers in the European Union member states (except Denmark) and associated countries are invited to apply for access to the research facilities at the Institute for Storage Ring Facilities (ISA) under the EC programme *Integrated Infrastructures Initiative*.

Access is offered to:

**The synchrotron-radiation beamlines and associated experimental equipment at ASTRID (2-1000 eV)**

For a detailed description of the facilities, please visit our web site.

Project proposals are evaluated on the basis of scientific merit by an independent panel.

Approved projects will receive access and support free of charge. Travel expenses and subsistence for eligible users will be reimbursed.

Application forms can be obtained from ISA at the address below, or from our web site. Forms must reach ISA no later than December 31, 2010.
