Users supported under NEPHEWS are also required to complete the next page.

Please return your completed and signed user registration form to your beam line contact.

nephews

Neutrons and Photons
Elevating Worldwide Science

The NEPHEWS project has received funding under grant agreement number 101131414 from the EU Framework Programme Horizon Europe.

For users **supported under NEPHEWS only**, please answer the questions below

Age group:

Career stage:

Have you previously had support from
NEPHEWS?

Previous experience with open-access research
infrastructures:

How important was NEPHEWS TNA support for
your on-site participation in the experiment?:

1 – equally possible without the TNA support
5 – would have been impossible without it

Give an overall assessment of your satisfaction
with the TNA programme:

1 – completely unsatisfied
5 – entirely satisfied

Where did you learn about the possibility of
obtaining support from the NEPHEWS project?:

How do you see the potential for improving
support for users under future TNA
programmes?:

In signing this, I confirm that I have not been awarded funding from other sources for this access and accept that the information provided here will be used for EU reporting and in an anonymised form as statistics. I am also aware of the requirements to acknowledge the EU funded TNA support under **NEPHEWS** when disseminating results from this project, as well as the concept of Open Access to TNA generated data as detailed at <https://www.isa.au.dk/user/access/nephews.asp>
