COLLABORATORS (Include name and affiliation)

Is this project a continuation of a previous project at ISA?

Yes

No

Does this proposal have any industrial involvement or sponsorship?

Yes

No

This information is used only for statistical purposes. Ticking this box will not affect your proposal.

From the following options, which discipline best describes your proposal? Please indicate by number in the grey boxes. (1=best)

Physics	Energy	Engineering & Technology	Humanities
Chemistry	Material Sciences	Earth Sciences & Environment	Social Sciences
Mathematics	Life Sciences & Biotech	Information & Communication Technologies	

SHIFTS REQUESTED*)	days	BEAM LINE REQUESTED**)	
PREFERRED BEAM TIME PERIOD		EXCLUDED DATES	

*) Beam time will be given in a number of 24 hour days. Please note that for several installations the minimum beam time is 1 experiment week = 6½ days.

**) Enter one of the following names: AU-CD, AU-rSRCD, AU-UV, AU-SGM3, AU-MatLine, AU-IR, AU-AMO

ISA, Department of Physics & Astronomy, Aarhus University, Ny Munkegade 120, DK-8000 Aarhus C

PROJECT DESCRIPTION

In this page you should address the following points: scientific background, motivation for the present proposal, project description and plan, results expected and impact. If you would like to include figures as part of your proposal, please submit them as a separate pdf file.

ISA, Department of Physics & Astronomy, Aarhus University, Ny Munkegade 120, DK-8000 Aarhus C

JUSTIFICATION OF THE BEAM LINE AND BEAM TIME REQUESTED

REFERENCES RELATED TO THE PROPOSAL

*Include publications and PhD theses resulting from previous work related to this project, indicate those including work carried out on ASTRID or ASTRID2 with *. The DOI for the reference should also be included.*

**Please send the completed Proposal Form as an attachment to:
e-mail: hbak@phys.au.dk**
